

BIOGRAPHY

DAVID WILLIAMS

Army Senior Fellow

Deputy Under Secretary of the Army

Mr. David Williams was selected into the Deputy Under Secretary of the Army's Army Senior Fellows Program in July 2007 based on his outstanding career accomplishments, education, and potential to compete for future Senior Executive Service (SES) positions.

Mr. Williams has been with the Department of Defense (DOD) for over 15 years. Before joining the Senior Fellows Program he served in a wide variety of key positions in both the U.S. and overseas. Mr. Williams successfully led several Army-wide programs in the Utilities and Energy office of the Assistant Chief of Staff for Installation Management. As the Program Manager for the Army's Utilities Privatization Program, Mr. Williams was responsible for privatizing, when economical, the electric, natural gas, water, and wastewater distribution systems throughout the Army. He also served as the Energy Savings Performance Contracting and Utility Energy Services Contracts program manager, providing guidance on the use of these contracting methodologies to reduce, conserve, and eliminate energy waste.

During Mr. Williams' tenure with the HQDA utilities and energy office, he served a rotational assignment with the DOD Installation Requirements and Management (IRM) office as the Associate Director for Energy Management. He was responsible for providing DOD facility energy and utility program and policy oversight, turnover and staff transition assistance, and served as the conduit between the DOD services and other federal agencies. He represented the DOD Installations Requirements and Management (IRM) office in the Director of Defense Research and Engineering Task Force, working with a myriad of senior leaders from various organizations within DOD and the DOD services to address complex utility and energy issues. He provided input and analysis on emerging energy technologies.

Mr. Williams holds a Master of Science Degree in Engineering Management from George Washington University and a Bachelor of Science Degree in Industrial Technology with a concentration in Electronics from North Carolina Agricultural and Technical State University. He is a graduate of the Army Management Staff College's Personnel Management for Executives and Sustaining Base Leadership Management courses. Mr. Williams is the recipient of eleven Superior Performance Awards, the Military District of Washington Commander's Certificate of Appreciation and Commanding General Award for Excellence, two Commander's coins, the ACSIM 3-star coin, and the Superior Civilian Meritorious Medal.
